

National Disabled Veterans **WINTER SPORTS CLINIC**

Miracles on a Mountainside

Goals and Training Forms

The National Disabled Veterans Winter Sports Clinic is a clinical rehabilitation event. It is our expectation that you are setting goals and training in preparation for your participation in this program. We hope you are working with your local rehabilitation staff in setting your goals and developing a training regimen. While this is not required, they do have the ability to assist with goal setting and the ability to work with you for training purposes and local adaptive program opportunities.

The Goals and Training forms are required in order for you to be accepted to the National Disabled Veterans Winter Sports Clinic.

Please ensure your name is at the top of both pages, if you are attending with a team and have a coach you are working with, please have them sign the form as well.

We look forward to working with you!!

KEEPING OUR PROMISE TO
